STUDENT COUNCIL

THE Student Council whose object is converged on student participation in the administration of the school, is a new organization in Danville High School. It is composed of ten members—the presidents of the three upper classes by virtue of their offices, three other Seniors, two other Juniors, one Sophomore, and one Freshman.

The Council met each month with Principal W. C. Baer, chairman, to discuss and develop student interests.

Although the work this year does not seem extensive, the members have been firmly establishing a foundation for a successful future.

DEANS AND CLASS ADVISERS

MISS SANDESON, adviser of the Senior Class, has a winning personality which has won for her the friendship of the student body. We Seniors deeply appreciate her willing cooperation and efficient work in our behalf.

"For a man to have an ideal in this world, for a man to know what an ideal is, this also is to have lived." In the course of the school year, Mr. Johnson, adviser of the Junior Class has lived his work, unparalleled in good fellowship.

Oh, invincible spirit with charitable attitude and manner congenial, always 100% dependable, irrespective of the difficulty of the task before her, we justly address Miss Hodam, Sophomore Class adviser.

Like unto the Goddess Athene, in wisdom and virtue, is Miss Larson. We respect her ability and admire the loyal spirit with which she has served as adviser of the Freshman Class.

Rich in wisdom and with a soul of power, Mr. Trulock, Dean of Boys, has risen to a superiority recognized throughout Danville High School. His idealism so abundantly diffused in both words and deeds, shall be a lasting inspiration to all who know him.

Miss Payne, Dean of Girls, has become a factor in all that pertains to the good and betterment of Danville High School. Her steadfastness of purpose and inflexible faith in her work has won for her the high and lasting esteem of the students and faculty.

CLASS HISTORY

ONE bright morning in September of 1921 the old building on Pine and Seminary saw another procession of Freshman initiated into high school life. That band was quite green but developed rapidly under efficient instructors. Here were spent three very successful years and it was with some regret that we left the old high school for the new one. However we soon became accustomed to our new home and we now regret that we had only one year left in which to enjoy it.

As we members of the class of nineteen hundred and twenty-five stand ready to leave our alma mater, we wonder if ever again we will spend four such happy and profitable years as we have spent in Danville High School. We look upon the great outside with trepidation but with a firm resolve to "dare, hope, and succeed."

TO D. H. S.

Music by Winnifred Hendricks and Inez Jameson
Words by Helen Greene

For four long years you've guarded us,
But now the time has come to part;
Hard work has not retarded us,
Nor caused us to be faint of heart.
To do great things for Danville High,
And for the honor of our class,
Has been the aim of twenty-five,
And will be 'till the very last.

Old walls have been replaced by new,
But changed is not our high ideal;
"Dare, Hope, Succeed" our motto true,
Will urge us on to work with zeal.
These stately halls inspire us high
To always do the thing that's right;
And as the years go slipping by,
We'll think of you, our guiding light.

CHORUS

Of all the schools, from east to west,
Through all these years you've stood the test,
And now we know we love you best,—
Farewell to thee, dear D. H. S.

JUNIOR CLASS

HOW time flies! Three years have come and gone since we entered the old D. H. S. as freshmen. We have always had hopes of finishing our high school days in a new High School. Our fondest hopes have been fulfilled. We have performed our part in making new traditions and in raising the standards of scholarship to a level worthy of so fine a building.

Our social activities through the past year have, indeed, been successful.

Many of our members have successfully represented the school on the athletic field, as well as in the literary activities of the school.

We hope next year as Seniors to uphold all traditions of the past and bring only honor to our class and the school.

ATHLETICS

COACH THOMAS

COMING to us this year from the University of Chicago where he was rated All-American fullback by Walter Camp in 1922, head Coach John Thomas faced the problem of developing a team from green material and of establishing a new system of coaching. Coupled to these was a general urge to have a winning team initiate athletics in the new D. H. S.

His quiet, unassuming manner aided by firmness and impartiality brought him the confidence and respect of the student body.

By hard work and a thorough knowledge of the game, he molded the hopes of September into the finished product of November that swept down the field Thanksgiving Day to a glorious Maroon victory, thus ending an undefeated season.

Coach Thomas in creating the victorious Danville eleven of 1925, and by his doctrine of fair play has done much to place athletics in D. H. S. on an equal plane with the best schools in the state.

COACH HOFF

COACH HOFF assumed his duties as a coach and gym instructor in D. H. S. with the opening of school September 5.

Coach Hoff more than ably aided Coach Thomas with the football team. He coached the cross-country runners who developed into the conference champions. He also aided the champion swimming team.

Coach Hoff has a ready smile for everyone and has made many friends. We sincerely hope that "Bill" will be with us for another year.

B. A. A.

HAVING for its purpose the stimulation of athletics in D. H. S., the Boys' Athletic Association has been a factor in the great increase of athletic interest which students have shown this year. A larger membership and a greater interest in the organization account for the work that the Association has done.

With the entrance of D. H. S. into larger fields of athletic activity, the B. A. A. will bear a greater burden in helping to supply capable wearers of the Maroon and White.

JOE WILLIAMS

Business Manager

The athletic teams were capably and efficiently managed this year by Joe Williams, the hustling business manager of the B. A. A. Traveling with the boys, helping the players, taking care of the visiting teams, he proved a valuable aid to the Association.

CHEER LEADERS

BECAUSE they impart the old spirit and fight into fifteen hundred students, D. H. S. pats herself on the back when watching her cheer leaders, Jack Miley and Bert Edwards. Because of his irrepressible enthusiasm coupled with his ability as an acrobat, Jack has been the envy of high schools in this part of the state for two years. Bert is an able second, always giving his best to his job. Our hats are off to the fellows who inspire us with that "Fight 'Em Danville, Fight 'Em" spirit!

"D" ASSOCIATION

THE "D" Association is composed of all the "D" men in school. Its purpose is to place a higher value on the school's most valued athletic reward, that future wearers of the "D" may be the fine type of school leaders which D. H. S. strives to produce.

The members of the association lend valuable assistance from time to time by helping to handle games and tournaments.

REVIEW OF SEASON

DANVILLE High's undefeated season of 1924, including two Chicago schools among the victims, ranks with the best in Maroon history. The scores themselves fail to tell all the story of a hard working, fighting team that often came through in the final quarter and turned defeat into overwhelming victory. Our sturdy line that held the heavy Springfield team for downs on the one yard line and our "Four Horsemen" in the back field who rode rough shod over Parker High of Chicago were achieved by the hard work of the players and the efficient instructions of the coaches.

CAPT. MELVIN WHITLOCK JOE GULICK ROBERT GIBBONS

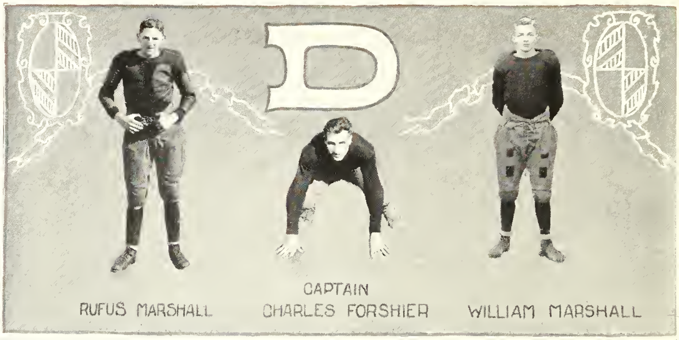
PAXTON 0; DANVILLE 55

The M. & W. team opened their 1924 season with a decisive victory over Paxton, on September 27. The team showed that they had an excellent defense and offense. The playing of Capt. Whitlock and Leverenz were the outstanding features.

DANVILLE 30; ARCOLA 6

On October 4, the Baers journeyed to Arcola and by exhibiting the old Danville fight were able to triumph over a much heavier team. The game was much harder fought than the score indicated. Whitlock was the star of the day with an 80 yard run for a touchdown.

MARJORY SWITZER '27



RUFUS MARSHALL

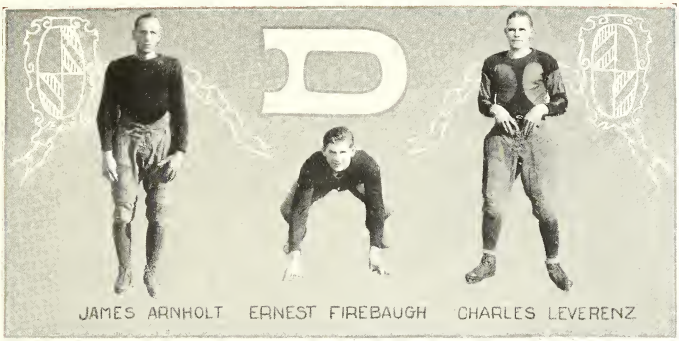
CAPTAIN
CHARLES FORSHIER

WILLIAM MARSHALL

DANVILLE 42; HOOPESTON 6

On October 11, Danville defeated the boys from the Holy City to the tune of 42-6. Although the score was one sided, the game was hard fought throughout. The Hoopestonites had many hopes for winning this game, but any such hopes were shattered when Whitlock started the scoring with a place kick. Time after time, thereafter, their goal line was crossed by a Maroon player. Coach Thomas substituted many of his second string men but the visitors were unable to stop his "million dollar backfield." After the 7-7 tie with Hoopeston last year the defeat was all the more glorious to the Baers. Whitlock and Leverenz starred for the Maroons.

MARJORY SWITZER '27

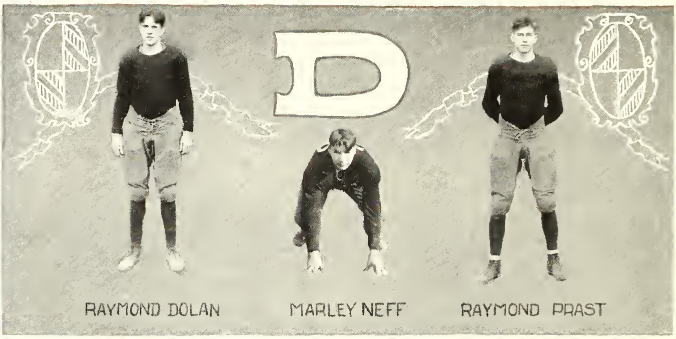


JAMES ARNHOLT ERNEST FIREBAUGH CHARLES LEVERENZ

DANVILLE 7; SPRINGFIELD 0

On October 18, Coach Thomas took his Maroon clad warriors to the Capital city. In the hardest fought game so far this season the Maroons avenged their defeat of last year by a 7-0 count. Springfield gained much ground by the forward pass, having Danville on their own 3 yard line twice in the first quarter, but the Maroons' defense held. In the fourth quarter Firebaugh blocked a punt on the Springfield five yard line and Gulick recovered on the one yard line. After two bucks by Leverenz, Whitlock carried it across for a touchdown.

MARJORY SWITZER '27



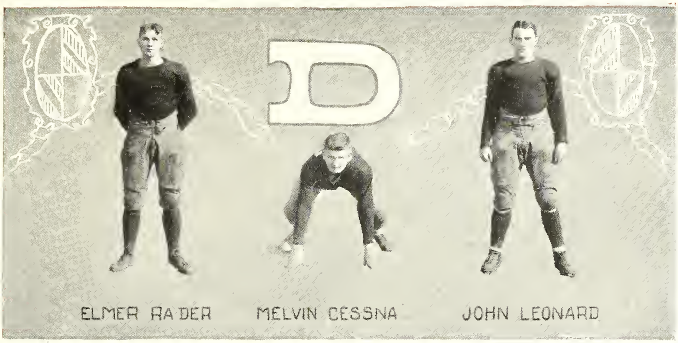
MORGAN PARK 6; DANVILLE 34

On October 25, the boys from the Windy City journeyed to Danville, accompanied by less than a score of rooters. Neither team had been defeated thus far, but the Morgan Park lads were confident of victory. The Baers, however, were not over-confident, but went into the game with that "old fight" and determination. As a result Danville triumphed over the more confident Windy City boys. The game was hard fought and Morgan Park made their only score in the last quarter on our second team. The Baers were outweighed but not outwitted or outplayed.

URBANA 6; DANVILLE 39

On November 8 the boys of the Twin City journeyed to Danville to avenge their defeat of the year before, but they were disappointed. The "four horsemen" of our squad and our stone wall line were working true to form. Danville started scoring after the first whistle. The strategy of Coach Walker netted their lone touchdown.

MARJORY SWITZER '27



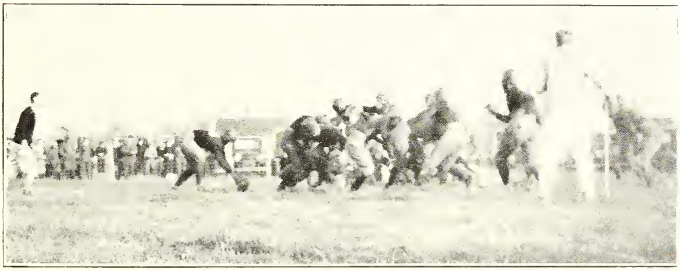
WATSEKA 0; DANVILLE 31

On November 15, Danville met Watseka for the first time in a number of years. The entire second team with the exception of Whitlock played all but the last few minutes of the game. The Baers were never in danger and the game gave much needed experience to Coach Thomas' reserves.

DANVILLE 0; GEORGETOWN 0

On November 22, Danville journeyed to Georgetown for the annual struggle. A victory was expected but the old Georgetown jinx was on us and we were held to a tie.

Although the Baers made 33 first downs to Georgetown's 5, they were unable to score. Billy Marshall and Bob Gibbons played a stellar game for D. H. S.



MARJORY SWITZER '27

E. Neupert '25

PARKER HIGH 7; DANVILLE 19

On November 27, Parker High, Class B champions of Chicago, journeyed to this city. The Parker team put up a hard fight and the half ended 7-0 in their favor. The Maroons displayed that old fighting spirit in the second half and finally triumphed with a score of 19-7. Nine Seniors, playing their last game of High School football, went into the game with fire in their eyes, their minds set to make the last game the best, and they succeeded.

Danville and Champaign were awarded the football joint championship of the conference, neither team losing a game.

D. R. MEN

"Stars in the making" can rightly be said of those men who perform valiantly with the reserves but who have not played in the necessary number of games to earn a letter. Those fellows who won the coveted reward this year are Greer, Patterson, Kloephel, Cox, Frentzel and Bob Leverenz.

SUMMARY OF THE BASKETBALL SEASON

BASKETBALL season of 1925 was successful, considering the number of inexperienced men on the squad. However, from the standpoint of games won, it was not as great a success as in former seasons. After a poor start, and after losing seven successive games, the team staged a comeback, winning second place in the district tournament. Only two men will be lost to the squad and much is to be expected of the team next year.

WATSEKA vs. DANVILLE

(At Danville)

The Maroons made their first appearance of the 1924-1925 season against Watseka during Home Coming. Coach Thomas had only a week in which to drill his inexperienced squad, and although we won, the stellar work of Captain Gibbons was not up to his usual style. The score: Watseka 14; Danville 16.

DANVILLE vs. PARIS

(At Danville)

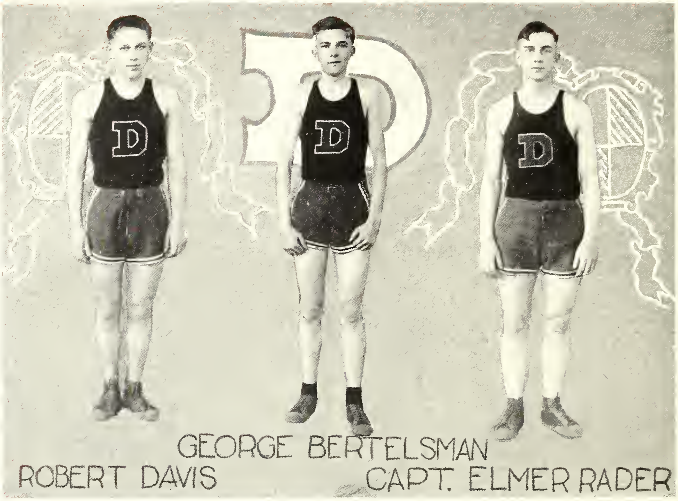
On January 9, the Maroons avenged their defeat of last year at the hands of the Paris quintet. Paris was behind from the start. Tolliver starred for the losing team and Gibbons starred for Danville. The score: Danville 24; Paris 6.

URBANA vs. DANVILLE

(At Danville)

The Maroons were handed their first defeat of the season by the strong Urbana squad. Although Captain Gibbons' men were outclassed, they fought until the very last and gained some much needed experience. The score: Urbana 32; Danville 15.

MARJORY SWITZER '27



DANVILLE vs. HOOPESTON

(At Danville)

On January 16, the Maroons avenged their defeat of last year by Hoopeston. The game was hard fought throughout with Danville always just a little in the lead. The Maroons showed much better form than in the Urbana game. Whitlock starred for Danville. The score: Danville 22; Hoopeston 11.

DANVILLE vs. URBANA

(At Urbana)

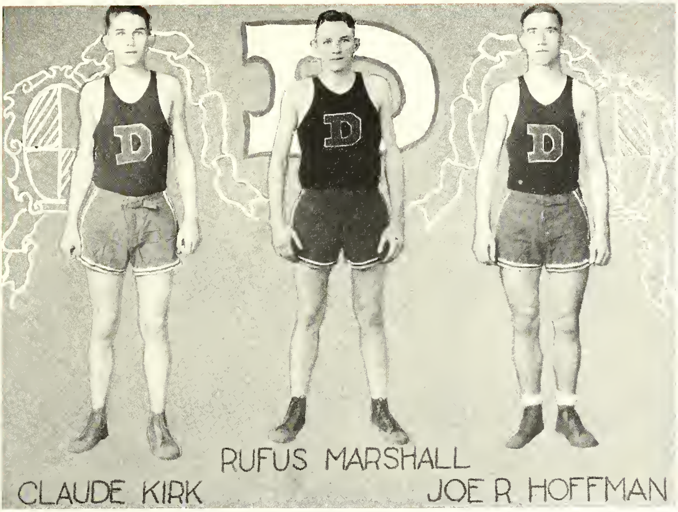
Coach Thomas' warriors journeyed to Urbana to avenge their defeat by the Twin City squad earlier in the season, but were disappointed a second time. The squad had been weakened by the loss of Captain Gibbons. Rufus Marshall starred for Danville. The score: Danville 9; Urbana 32.

DANVILLE vs. PARIS

(At Paris)

The Baers journeyed to Paris on the night of January 30, and there met defeat at the hands of the Paris quintet. "Lady Luck" played against the Baers, for none of the Maroon players could make their shots true. Gibbon's absence from the squad was noticed very much indeed. The score: Danville 11; Paris 22.

MARJORY SWITZER '27



CHAMPAIGN vs. DANVILLE

(At Danville)

Danville was defeated by the Champaign squad, second place winner in the state tournament, on our own floor. Hyland and McCallister starred for the visitors and Whitlock for the Maroons. The score: Champaign 28; Danville 17.

MILFORD-MARSHALL vs. DANVILLE

(At Danville)

In a hard fought game the squad from Milford defeated the Maroons in an over-time period. This was the first game of a double header for the locals. The score: Milford 21; Danville 20.

Following this game with Milford, Danville played the squad from Marshall and were defeated. Danville played poorly at first but came back strongly in the second half. The score: Marshall 28; Danville 10.

DANVILLE vs. VILLA GROVE

(At Villa Grove)

Playing a good game of basketball and a whirlwind attack, Danville swept Villa Grove off their feet in the first half, but were unable to stand the fast pace and dropped behind in the third quarter. The squad was much strengthened in the game by the addition of Deb Marshall and Bob Gains. The score: Danville 12; Villa Grove 28.

HURRAH for the Girls' Physical Education Department! Never have the girls of D. H. S. had a chance to show their valor until this year. With the coming of the new Physical Education Department and with Miss Alice Pearl Barret as instructor of the department came the beginning of a new era in athletics for the girls.

Basketball is but one of the many sports, for in addition there are baseball, track, volley ball, and swimming. However, basketball has been the outstanding sport.

Teams from each class were organized and a tournament held in which each team played each of the other three teams. On February 24 with the Freshmen and the Sophomores in the lead the Sophomores after a hard fougt battle, won from the Freshmen by a score of 12-11.

REVIEW OF 1924 SEASON

WHEN Coach Anway made a call for track candidates, about fifty men responded. Though many of the men were inexperienced, they soon rounded into shape and won many points for D. H. S. The squad, led by Captain Swallow, deserves much praise for their co-operation and hard work on track and field.

CAPTAIN DICK SWALLOW (1924 Season)

Captain Swallow, though handicapped through the season by sickness, did much for the squad and won points in all meets, tying the county record in the quarter.

CAPTAIN-ELECT CLAUDE KIRK (1924 Season)

Kirk, an inexperienced man and running for his first year, won many points for the school and was of great strength on the relay team. Kirk was also a quarter miler of whom much is expected.

MELVIN WHITLOCK (1924 Season)

"Cotton" was high point man in most of the meets which he entered, bringing back many cups and metals. His performance in the javelin throw, which is his best event, stands up to most college competition. He is also a pole vaulter, high jumper, and discus thrower of great ability. "Cotton" will again compete for D. H. S. next year and much is expected from him.

DON BALDWIN (1924 Season)

Don was the fastest man who has ever worn a Danville track suit. From the first meet he proceeded to break or tie records in meets in which he participated. He won many points for the Maroons and will be greatly missed next year. Don won the 220 yard dash in 22 flat at Michigan Interscholastic.

CROSS COUNTRY CONFERENCE CHAMPIONS

ON November 22, the cross country team journeyed to Champaign. Very few knew of this meet, it seemed that they were keeping the news for a surprise. Surprise it was, when the school heard of their victory.

On November 29, the cross country team again went to Champaign to meet Champaign, Decatur, and Urbana. Again they came back victorious and brought back a number of metals.

"SERVIMUS"

MANY circumstances have aided the present Treasury Staff in fulfilling its slogan—to serve the whole school. First must be mentioned the excellent office in this new structure; then the new equipment, the attitude of both student body and faculty and the added opportunities to do things for Danville High School.

The work of this staff is not in connection with any one particular school organization, but all of them. The staff has a part in every activity or project undertaken, whether it be a game, a tournament, a party, subscription drive, circulation of the school publications, buying text books, staging a play or giving a program.

It is with great pride that we review the work of the Treasury Staff for the past year, and we realize they have done all and the best that they could do for D. H. S.

THE MEDLEY STAFF

Too much praise cannot be given to the various members of the Medley staff for the exceptionally fine spirit they have shown and the work they have done in draughting the 1925 year book. The staff has had more to do this year than in the past, because they have enlarged and improved their publication to keep pace with the new building and the more numerous activities. This has meant additional work, not only for the staff proper, but for the business manager, Fred Hartz, and his assistants as well.

One of the special features of the present Medley, the art work, was made possible through the efforts of the art staff under the direction of Miss Arter. The athletic section was

MARJORY SWITZER '27

ably handled by Joe Williams and his assistant, Herbert Depke. Inez Jameson and Frances Liggett deserve special mention for their work in preparing the senior section and the class rolls. Esther Emley and Alice Tarpening recorded the events mentioned in the calendar and otherwise gave their services in a way which can be described only in praise. Finally, Catherine Cass and Ralph Walton, knowing the importance of the humorous section, toiled faithfully and well in planning it.

These workers, captained skillfully by the Editor, Arlie Baker, and his first mate, Edwin Neupert, have sailed a good voyage and the treasured cargo they bring you is the book that you hold in your hand.

THE MAROON AND WHITE

MOVING to the new building has brought many changes, both in customs and traditions, and one of these is the new Maroon and White. From the former monthly magazine that chronicled the events of the old building, the Maroon and White has evolved into a newspaper that every two weeks takes account of the varied activities which mark life in the new.

It was with some trepidation but high enthusiasm that this year's staff abandoned the traditional magazine and ventured in this new field of journalism. They faced skepticism among the students, the greater portion of whom clung to the idea of a magazine. And there was also some chaos within the staff, elected for the

MARJORY SWITZER '27

publication of a magazine; the new conditions meant a reorganization, new ideas and new theories.

The staff has faced many hard tasks and some few discouragements, but they have kept an undaunted enthusiasm for achievement, and the close of the year seems to promise the realization of many of their hopes. No thing is perfected in one short year. The new Maroon and White is still not all that it will be in the future. But it is begun, and we believe it is well begun. A new inspiration should go with next year's staff, an inspiration to consummate the efforts, profit by the mistakes, and reach still nearer to the ideals that this first newspaper staff has held for the Danville High School paper.

THE CROSS ROADS

ONE day a traveler I beheld in hesitation,
Standing by the cross-roads reached
By every one at some far time in life.
He paused a moment pondering
Which road to take for future happiness.
One way was shady, cool and pleasant,
The roadside lined with flowers.
This was called "The Easy Way."
The other rough and rocky; the sign-post marked
As "The Strenuous Life."
It seemed at first as if it were only obvious
Which road would be the best to choose.
But in vistas far ahead one might behold
The destinations of the various routs.
The easy way was lost in swamp and marsh,
And the one who chose this way,
At the end would find unhappiness.
But looking down the other road
One might behold a country rich in grain.
Therefore, although the way was rough and cruel,
The end was worth the toil.
And so we each and all
At some time reach the parting of the ways.
Each one must choose. Day hurries on;
Night presses hard. Which byway shall it be?

AFFIRMATIVE TEAM

DANVILLE is achieving an enviable place in debating circles. This was shown quite conclusively when the skill of the Danville debaters humbled Decatur in both home territory and the hostile land.

Immediate independence for the Philippines was ably argued by both teams. Emmett Newman opened for Danville, by showing that independence was practical from a governmental standpoint. His argument was well-developed, his voice was excellent, and Danville made an admirable first impression on the judges. Lloyd Dudley, the second speaker, had two difficult phases of the question to handle, education and economic conditions. His logic, calm reasoning, and knowledge of the subject gave a very especial tone and added strength to the affirmative. The justice of independence was splendidly worked out and effectively used by Marjorie Schoolcraft. Placed in a position of responsibility as third speaker, she fulfilled the great expectations of coaches and students.

As usual, Danville had reason to be proud of its teams.

NEGATIVE TEAM

"THE decision is in favor of the negative!"

When the chairman of the debate in the Decatur auditorium said these momentous words three Danville boys felt that long weeks of arduous, nerve-wracking preparation had been well spent.

Arlie Baker and Dave Simon, both in their first year as varsity debaters, and Charles Ross, veteran of last year, had no predestined visions of victory. Little was known of the strength of the opposition. They went into the contest determined to give their best for D. H. S. The decision justified those efforts. Their individual and collective handling of the question "under fire" was an excellent representation of the high school debaters' art. A determined attitude, pleasing appearance, and forceful speech, are the terms that applied to each speaker as he faced the "hostile" audience.

The success of both Danville teams on the night of January 16 will long be remembered as a red letter event in debating history.

THOSE who entered the spring literary contests did so with the idea of denying themselves the ordinary so-called pleasures of spring and spending their time in conscientious study and practice. Their work was not in vain for, due to their efforts, more laurels were given D. H. S. and much valuable experience gained for the contests of 1925.

THE BAND

IN SEPTEMBER of 1924 Mr. Kaynor sent out a call for all candidates for Band to meet him at his office. Work was begun and new music obtained. "Jackie" uniforms were chosen and dressed in these the band made its debut at the first assembly on September 26. They were an instantaneous hit and were presented with a large American Flag by the Rotary Club. Several national airs were then played. The next appearance of the band was at the football game Sept. 27, where they paraded on the field. We now have two bands known as Senior Band and Junior Band. The Senior Band has fifty members and the Junior Band about thirty. The band has always given us their best at all athletic contests and has kept the "old pep" stirring. They have played at all basketball and football games, and when the team needed encouragement, the fight song was always heard urging our boys on. The officers of the band are as follows:

Edwin Neupert	President
Harold Reaub	Secretary and Treasurer
Albert Downs	Manager
Jack Jones	Librarian

THE ORCHESTRA

THE Orchestra now numbers fifty pieces. It has played for many assembly programs both in the pit and on the stage. The growth and quality of the work was displayed in the school concert and the selections played would have done credit to any Symphony orchestra in the state. They are at present studying many of the standard overtures. The development of any musical organization is necessarily very slow, yet our orchestra seems to be perfectly capable of playing anything from a heavy overture, to a light concert number with perfect ease. One man who heard our orchestra at the Concert was heard to remark, "Say, how do they get all those sticks to move up and down at the same time?" Ask Mr. Kaynor, he knows. As we lose only three or four from our orchestra by graduation, it should be even bigger and better by next year. The officers are:

BOYS' GLEE CLUB

THE Danville High School Boys' Glee Club is one of the many new organizations fostered by the new school. Early in the year Mr. Kaynor issued a call for would-be songsters. After passing a preliminary try-out, they were full fledged members of the club. At present twenty members comprise the organization. That their efforts to form a real musical club have been successful is attested by the applause given them at assembly programs.

THE GIRLS' GLEE CLUB

THIS year the Girls' Glee Club, under the direction of Mr. Kaynor, has been more successful than ever before. The club has been enlarged to forty-three picked voices, more than have ever before been in the organization. On their first appearance, November 20, we had a chance to judge the work for ourselves. A new idea, that of having artist's outfits of black and white was instituted. It met with hearty approval. Who will say that we, the students of Danville High School, do not feel proud when our girls step out on the stage and sing?

OUR JAZZ ORCHESTRA

"I'LL tell you how it was" said Mr. Kaynor. "One day Mr. Baer called me down to the office and said, 'Can't we have our own dance orchestra and save all of that money that we are paying out to these outside orchestras?' I replied, 'Well, why not'. That's how it started. We obtained a library of dance music and went to it. Although at first the noises were anything but musical, we kept plugging away. One day I would be playing the drums, next day the banjo, next day cornet, saxaphone or some other instrument, trying to demonstrate what was wanted. We then presented our "Tender Ten" to the next party, which was Science Club party, given in the Gym and we got along pretty well. The only fault we had to find was that the dancers refused to leave the floor and kept calling for their favorite selections. Well, we only had about eight numbers prepared so of course we had to repeat. At the Senior party we did better and commenced to feel that we were getting to be pretty good. Then the members of the orchestra started to get excited and soon half of the orchestra was dancing. The Jazz orchestra was invited to play at the Rotary Club's dinner that was given to the football team and proved the life of the affair."

THE GIRLS' STUDENT CLUB

ONE of the outstanding organiations in Danville High School is the Girls' Student Club, which is credite dwith being the largest and best in the United States. The largest membership drive in the club's history was made in February, resulting in an increased enrollment of over two hundred. The total membership of the club is over eight hundred, with an average attendance of between two and three hundred.

There are six committees in the organization; the Social, Program, Financial, Membership, Publicity, and Social Service, each having an adviser and a chairman. Membership in the club is open to every girl in school.

In the new high school the club has been very successful, being especially proud of the Christmas party given in the Boys' Gymnasium for over one hundred school children of this city. Many were provided with clothing, while all received food and toys. The success of the party was due to the splendid work of the Social Service Committee.

Every year the club sends three delegates to a Girl Reserve Camp. Last summer, Esther Emley, Virginia Davis and Mildred Cunningham, chaperoned by Miss Lundien, Girl Reserve Secretary, were sent to Camp Hollister, Missouri. True to the club which they represented, the girls brought back many new and helpful ideas.

The Girls' Student Club is closely associated with the Girl Reserve Department of the Y. W. C. A. Their purpose is to promote standards of worth and friendship in high school girls. "To face life squarely, to find and give the best," is the aim of every Girls' Club member.

SCIENCE CLUB

AFTER the election of officers in September, the Science Club needed something to get it going. When it was announced that there was to be a party, the membership rose like a thermometer in July. After the party they settled down for business. They had movies at the meetings. They had so much pep that they even went to the hospital on one of their field-trips. That didn't stop them so they went to the ice cream factory on another trip. The Club for once received all the Eskimo Pies it could eat. It believes in learning while it plays and has learned many things since the beginning of school. They closed the year of 1925 with a big outdoor picnic.

How to Make Love

I called on my Sweetie last night;
Her Father was out at the club,
Her Mother was out at the theater,
Her kid brother was out at a party,
Her kid sister was out with a chum,
The parlor lights were out—
She was out with another fellow—
I was out ten cents carfare.

Mr. Montgomery (giving test)—"Does any question bother you?"

Constance Calvert—"Not at all, its the answers."

Start Your Boy Right!

You believe in starting that boy of yours right. You recognize the importance of giving him sound mental and physical training so that he may be well prepared to fight the battles of life successfully.

Life insurance is of especial value to young men because it teaches them to save systematically. Now is the time to do it. As you know, the younger a man is when he insures, the lower is the premium rate.

Money invested in a life insurance policy is absolutely safe.

THERE ARE MANY GOOD COMPANIES IN WHICH TO INSURE BUT NONE BETTER THAN THE

How a Senior Really Spends his Evenings

Monday — Decides to study. Sleepy. Goes to bed.

Tuesday—Asks three women to go to the theater. Is turned down by all.

Wednesday — Thanks heaven there is a class meeting.

Thursday—Goes out for long drive in rain—alone. Is lonesome and enjoys it.

Friday—Plays penny ante with some of the lower classmen and loses nineteen cents.

Saturday—Tries desperately to pick up some one. No luck. Wonders how it is done.

Sunday—Has wildest time yet. Drinks a dozen lemon sodas.

The night was dark and dreary,
I never shall forget,
When the train pulled into the station,
The bell was wringing wet.

The Fundamentals

A little Connecticut boy, who had an impediment of speech was asked by a visiting bishop, who was something of a pulpit orator—how he would like to be a preacher. "I I w-w-w-would l-l-like to d-d-do the p-p-pounding and the h-h-hollering, he replied, but the s-s-speaking w-w-would b-b-bother me s-s-some.

Charles Ross, being introduced to golf for the first time, had hit the ball a terrific whack, and sent it half a mile.

"Now, where do I run to?" he cried excitely.

What They Wear

Reggie wears an English cap,
Mabel wears her pearls so rare,
Mother wears her Hudson wrap,
Father wears the cellar stairs.

* * * *

Mary had been spanked by her mother. She was crying in the hallway when the minister entered.

"Well, what's the matter with my young lady today."

"It hurts."

"What hurts, my dear."

"The back of my lap."

Home Brew Recipe

Chase wild bullfrogs for three miles and gather the hops. To them add ten gallons of tan bark, half pint shellac, and one bar of hard soap. Boil thirty-six hours and strain through labor union sock to keep from working. Add one grasshopper to each pint to give it a kick. Pour out a little in the kitchen sink. If it takes the enamel off it is ready for bottling.

Your Success

is the factor that has given you concern in your high school work. If you had not been concerned about the success of your efforts, you would not now be a member of the graduating class.

While your concern about your work was important in the past, it is even more important now—it will be more important each succeeding day.

WHAT ARE YOUR PLANS? If you are planning to enter the business world you should try to be a specialist. Brown's Business College has courses specially selected for those wishing to take more work in Accounting, Secretarial Duties, Filing and Office Practice. Ask for our catalog.
